## WELCOME BACK TO THE SUMMER TERM

### Welcome Back

A very warm welcome back after the Easter break. We hope you have all had a lovely holiday.

### Notice boards

We have four parent notice boards in the building. One in the main reception, one in the Mini Montys cloakroom and one outside each of the Nursery classrooms. Please check these for regular updates. We also have Home to School notice boards in both Nursery cloakrooms and in Mini Montys cloakroom. Please feel free to add any interests your child may have and also photos of special occasions/holidays.

### Spare Clothes

Please can you ensure your child has a spare set of clothes in their bag as we have limited amounts of spare clothes in Nursery. If your child is toilet training, it is always a good idea to bring lots of spare clothes, pants and socks as accidents do happen.

### Muddy Puddle Walk

On Tuesday 9th May, we will be raising money for Save the Children with an indoor/outdoor walk. A £1 donation would be very much appreciated.

### Sainsbury's Vouchers

The Active Kids Vouchers are, once again, being given to customers at Sainsbury's. We are collecting them and the collection box is situated at the nursery side. Don't worry if you don't come to the nursery side, just hand them in and they will make their way to the box.

We have managed to exchange vouchers for some lovely equipment in the past few years including a tricycle, gardening equipment and various games.

### Leavers

**If your child is leaving us to start school in September, please do not forget to give your notice in. This can be done by letter or email.**

### Absences

If your child is absent from Nursery for any reason, please contact the office as soon as possible as we are required by Ofsted to record any child absences.

If your child has been sick or has had diarrhea they cannot return to Nursery until they are 48 hours clear of all symptoms.

### Car Park & Road Safety

May we remind you that the first turning on the left as you enter the nursery grounds is the only entry. The other two are purely for exit only.

If we can all adhere to this we will keep our children safe in this area. Please ensure you inform everyone who drops off and collects your child.

As we are practicing road safety, it would be very helpful if you could continue to practice this at home and whilst out and about.

### Pre/after school care

Please ensure you drop off and pick up your child on time, if you require regular additional care, please book them in using the amendment to session form. I can appreciate sometimes this is not possible if you are running late or stuck in traffic, however if it is going to be a regular occurrence please book them in.

### Mobile Phones

**Mobile phones should be left in your vehicles and not brought onto the premises. This forms part of our Safeguarding Policy.**
